Yard Sale April 23rd – 25th, 2021

We have held a casino night as a fund raiser for FFA scholarships but could not do that this year so we decided to try a yard sale.

What a weekend! We had our yard sale fund raiser on April 23, 24 and 25 and it was a huge success. We set up on Thursday afternoon to be ready for the big crowd on Friday morning and there was a crowd. Thanks to great planning by **Teri Anderson** and a super crew we made it through day one. Gosh were we tired.

Days two and three were not as busy so we got a chance to eat lunch, thanks to **Jeannie Hallgrimson**. The donations from members were really nice as well as from an estate and from some people that moved. The furniture and other large items allowed us to make enough money to cover our scholarships and have some left over for next year.

Thanks to all that donated, helped and bought to make our sale such a success. As well as donated items, many people made cash donations when they learned that the purpose of our sale was to raise money for FFA student scholarships. Norco continues to amaze me with the support given to help each other.

After the sale was over, the remaining clothing went to a local church for a clothing drive, the few remaining pieces of furniture went to the group that is moving homeless people into housing, a miter saw was donated to the NHS Ag. Department as they did not have a saw like that and the other items when to a place in Riverside.

Again, thank you to all in the community for the support. We could not do it without you!

**“
Whoever said money
can’t buy happiness...
never went to a yard sale”**

Trail Ride April 17th, 2021

On April 17th we joined with some folks from Fullerton for our first trail ride of the year. We took the trail down from Pedley and did the two river crossings that took us by the old power house and back up to California and home.

We all enjoyed getting together after a long year of no organized rides. Thanks to **Sharon Chandler** and **Bill Naylor** for leading the ride. We all got back without taking a swim in the river.

After the ride some of us had lunch on Sharon and Bill's patio so we could social distance and still get together.

Our next ride is planned for Mother's Day which is May 9th. We will let you know the meeting location and the route, hope you can join us.

Good Bye to Elodie

Sad to say, **Elodie Moore** has sold her home here in Norco and is moving to Wisconsin in June.

We will all miss seeing her out riding on the trails of Norco and helping at so many of our events. While we will miss her, we know that moving close to her family is a good decision for her but I am sure she will wish she was still in Norco through the long winter months.

We hope you and your horse have a safe trip to Wisconsin and enjoy the trails there.
