PRESIDENT'S MESSAGE

By Bonnie Slager

Spring is here some days and other days are icy but the important thing is that our Norco events are back!!

Horseweek, the Ranch Tour, Norco Fair, Day of the Cowboy, the PRCA Rodeo put on by the posse are all in the planning stages. It is so nice to see everyone again and look forward to our annual events.

You will love the Horseweek tee shirts. They were all printed when they had to cancel so they are crossing out 2020 and putting in 2022 below. It is still the 50th year for Horseweek. All the usual events are planned so please get out to as many of these events as you can. The ranch rodeo, parade, Easter sunrise service, chili night, quarter dip, bingo night, obstacle course, adult fun night, poker ride, horseshoes, Texas Hold'em, kids fun day are all scheduled and I am sure I forgot something but it is all going on for 10 days.

NHA has some things planned too. Our yard sale fund raiser April 1,2 and 3. A trip to see the wild horses on June 11 and some more fun things are in the planning stages so watch the newsletter, eblasts, Facebook page and most importantly, come to the meetings. If you have an idea for an activity or event, please let me or anyone on the board know so we can discuss it and see if it will work for us.

I hope to see all of you at the next NHA meeting and at the upcoming events.

NHA TRAILS COMMITTEE

The Trails Committee meets on the first Thursday of the month at Sixth Street Deli. Dinner at 6 with the meeting starting at 6:30. We review any trail issues and address them as we can. Where practical, we schedule trail maintenance usually in 2-3 hour blocks. We have members for different areas of the City who report issues. If you would like to help let me know or just attend one of our meetings.

The City is continuing with their fence replacement program and will shortly be submitting a funding request for next year. NHA submits to the City annually a list of trails that need special attention as well as recommendations for trail fence replacement and where practical we volunteer to help with repairs.

For further information, contact Bill Naylor, NHA Trails Chairman at (213) 399-5309.

NHA EMAILS

Are you getting Emails from NHA every month? If not, please check your spam folder in your email.

We send an E-Blast every month on events and the general meeting and every other month you should be getting a newsletter. Again, check your spam folder and if you are not getting these things, please contact Sharon Chandler at (562) 896-3665.

JANUARY GENERAL MEETING SPEAKER, JUSTIN ROWAN

Our speaker in January was our police chief, Lt. Justin Rowan. Warning to all of you, there is one additional traffic officer now and there will be another traffic officer added this coming summer so watch your speed. Speeding is the number one complaint to the sheriff's department so they have reorganized the department to add more resources for traffic and the City is looking at budgeting for the traffic officer that will potentially be added this coming summer. Not a big surprise, 75% of the traffic citations go to non-Norco residents. Hopefully, we will become known as the city that gives you a ticket if you speed here.

Along with the traffic issue is the problem of children driving golf carts on the streets and horse trails. Parents need to understand that letting your child under the age of 16 drive an ATV or golf cart on the streets and trails is the same as giving them the keys to your car. I hope we can get this situation corrected for everyone's safety.

Also, he talked some about the homeless project that the City has entered into with our surrounding cities. A number of the homeless people have been taken off the streets and into the hotel program

which can lead them to a permanent place to live, health care and a job. We all know that there is more to be done but it is a start and the riverbed will be cleaner without people living down there.

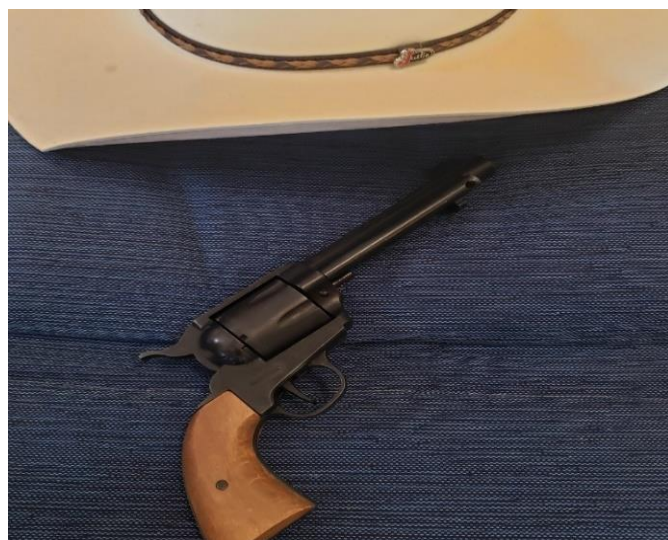

We are glad to have Lt. Rowan here and appreciate his guidance in making Norco a safer place.

FEBRUARY SPEAKER DON WILLIAMSON

Our February speaker at our general membership meeting was Don Williamson on gun ownership. He gave us valuable information on buying and storing guns as well as how to be a responsible owner. You need to decide if you really want to own guns and if you do, be sure you know how to properly use them and the importance of training regularly so that you are familiar with handling that gun.

What type of gun is needed depends on usage. Why do you want a gun and what do you plan to use it for? For the guns you own, how often do you train or practice with that gun? If you don't remember how to load it because it has been 10 years since you shot it you will not find it of much use in a tough situation.

Don answered a lot of individual questions, such as can I shoot a dog that is attacking my horse? When can I use a gun to legally protect myself and my property? This was a very informative meeting for all that attended.

HORSEWEEK APRIL

After 2 years off, we are finally going to the 50th Horseweek this year. The dates are April 15 to 24. The first weekend will be the rodeo and parade. Sunday the 17th is Easter so the sunrise service is that morning. The Challenged Children's Rodeo will be on Saturday the 16th. The rest of the events are as usual.

NHA will be doing the Chili Night and the Obstacle course as always. We need help with both of these events so please call Darrell (562) 397-5080 to sign up. For Chili Night we need people to help serve the chili, keep the tables clean, serve the chili judges and help with the beer and wine. Most of these jobs can be done by folks under the age of 21 so please encourage our young folks to help if possible.

The obstacle course needs at least 20 people to man the obstacles. Again, young folks can help. They can reset obstacles and run messages etc. so please encourage them to help if possible. Several weeks before the event we will be setting the obstacles up in my arena to test them and decide how they should be judged. If you are signed up as a judge you will be invited that day to be part of that discussion.

Tickets for the rodeo and the obstacle course will be sold online so look at the Horseweek website for more information.
